Dear Mr. Gannon:

SolAero Technologies Corp. (SolAero) is a leading provider of compound semiconductor-based components and subsystems for the space solar power markets. SolAero is a solar cell manufacturer, located in Albuquerque, New Mexico for 18 years and employees 254 people.

SolAero is expanding its workforce to accommodate a few new, multi-year, significant contracts.

We would like to request the assistance of the State of New Mexico through the Job Training Incentive Program in the amount of \$180,840.00 for funding 25 jobs.

We sincerely appreciate your interest in supporting the creation of new jobs in New Mexico. Please let me know if you or the JTIP board members need additional information.

Very truly yours,
